

Pink Tower

Activity Sheet · 3–6 yrs · Sensorial

Core Concept

Visual discrimination of three-dimensional size; indirect preparation for the decimal system.

Four Guided Activities

Classic Build. Carry each cube individually with two hands. Build from largest at the base to smallest on top.

Horizontal Row. Line the cubes along the floor from largest to smallest. Discuss the visible progression.

Distance Work. Place the tower across the room. Child carries one cube at a time — builds concentration and care.

Language of Size. Introduce vocabulary: 'large, larger, largest; small, smaller, smallest.' Play matching games.

Developmental Milestones to Observe

- Carries cubes with two hands
- Orders correctly by size
- Uses comparative language
- Returns material to shelf when done

Observation Journal

Use the boxes below over a two-week period. One line per session.
